USEFUL INFORMATION	
<p><b>WITHDRAWAL EQUIPMENT</b> The badge reader will be available to the exhibitors at the TECH-EVENT premises the eve of the opening of CARREFOUR INTERNATIONAL DU BOIS 2016, <b>Wednesday 31th MAY 2016</b> from 2.30pm to 6.00pm.</p> <p><b>LICENSE TRACKEVENT</b> The TRACKEVENT application is downloadable for free from Apple Store or PlayStore. INSTALLING THE TRACKEVENT An activation code for the TRACKEVENT app will be sent by TECH-EVENT via email within 7 days preceding the Event. This information email will include: the access to the web platform, login and password. The activation code is on the web platform of the exhibitor in the menu « License ». The activation code must be incremented on the application by the exhibitor care to enable licensing via the menu « Events » and then « validated ».</p> <p style="text-align: center;"><b>GOOD TO KNOW</b></p> <p>You must have a mobile phone or tablet using the Android operating system (from 5.0) or IOS (from 8). A license is valid for one device only. The license granted is valid exclusively for the edition the Event mentioned on the order form. In case of breakdown or change user, it is possible to "liberate" the license of a Smartphone, or tablet, to assign it to a new device. <b>CAUTION WITH CARE:</b> if the exhibitor removes the TRACKEVENT's application physically from its mobile device, without ensuring that the recorded information are uploaded and sent to the dedicated web platform (see screen of the application), all data will be definitely lost. TECH-EVENT can not be held responsible of the non-functional equipment user. TECH-EVENT can not be held responsible of the compatibility of the exhibitor's equipment with the TRACKEVENT's application.</p>	<p><b>RETURN EQUIPMENT</b> The badge readers must be returned by the exhibitor care on the last day of the Event, on <b>Friday 3rd JUNE 2016</b> from 4pm to the TECH-EVENT premises.</p> <p><b>LEAD RETRIEVAL WEB PLATFORM</b> The offer TRACKEVENT application entitle to an access by login/password to a secure web platform on behalf of an exhibitor. The web platform allows the exhibitor to set up a qualification questionnaire synchronized with its application TRACKEVENT. The web platform allows the exhibitor to retrieve at the contact file in a CSV format at any time, during and after the Event. The Lead Retrieval web platform is available for a month, after the Event. The accesses to the web platform are sent by TECH-EVENT within 7 days before the opening of the Exhibition concerned: web link, login and password.</p> <p><b>VARIOUS INFORMATION</b> The QR Code encoded in the badges of the Event is encrypted and can not be decoded only by the application supplied by TECH-EVENT. TECH-EVENT can not be held responsible for the 3G network coverage or WIFI during the Event. TECH-EVENT disclaims any liability regarding issues beyond its control: brightness levels on the event or on stand, reflection due to plastic badges holders, inaccurate handling of the tool by the user, etc... <b>DATA TRANSMISSION</b> The badge reader web platform available on Internet allows to the exhibitor to access in a real time to the list of the scanned contacts on its stand. With the offer OPTICON, TECH-EVENT sends the data by email as an Excel format within 72 hours worked after the close of the Event. The quality of the data contained into the file highly depends on the data submitted by attendees during the pre-registration process to the Show, as well as the choices of the Organizer. TECH-EVENT can not be held responsible for the quality of the information supplied.</p>
GENERAL CONDITIONS OF SALES	
<p><b>DEPOSIT</b> A deposit by credit card is required upon pick up at latest. The amounts are as follows : 500€ including VAT per OPTICON equipment available, No deposit requested for the TRACKEVENT application. The deposit will be returned to the tenant by TECH-EVENT at the time of the return of the leased equipment in a condition similar to this observed at the beginning of the rental. TECH-EVENT reserves the right to retain all or part of the deposit in case of unreturned equipment, or damage to the equipment, or non-payment of invoices.</p>	<p><b>BILL PAYMENT</b> The payment of the order can be made by bank transfer or by credit card (see page 1). All orders are due. Beyond the deadline, TECH-EVENT can not guarantee the availability of the equipment ordered. Any settlement must be adjusted at latest on the day of the badge reader withdrawal. TECH-EVENT reserves the right not to deliver the equipment for any order that has not been paid before the opening Show. For non-adjusted invoices at the beginning of the Event, TECH-EVENT reserves the right to delay sending of data file of the offer OPTICON and/or to close temporarily the web platform concerning the TRACKEVENT application. Any misuse of the devices leased (phones, printers, abusive consumption of 3G, and outside of the rental part) will be subject to additional charges. With the offer TRACKEVENT, data transfers to the platform are made from 3G network and / or WiFi. If the exhibitor uses his own Smartphone, the communication costs will be at his win expense.</p>
